

Show your ACUMEN!

Food and wine was flowing at the Acumen Business Group Launch Party, where over 150 guests were greeted by comperes Stephanie St James and radio personality Ambrose Harcourt. They were entertained with live music, including Jamsheed Master, one of the UK's top concert pianists, and were able to enjoy an exciting show of photographs, 'Inspirational Objects' from local artists Alison Milner and Steve Speller. Guests also had a chance for a flutter on the Blackjack tables.
